The Ritz-Carlton Comes To Israel

[Tidhar Group](#) and Adi's Marina have announced their plans to develop a 12-story luxury condominium complex in Herzliya, Israel, located north of Tel Aviv on the Mediterranean Sea.

Estimated at almost \$160 million USD, the project will feature a Ritz-Carlton hotel, with the top six floors devoted to 80 luxury vacation residences, known as The Residences at The Ritz-Carlton. The hotel and Residences will overlook the Herzliya Marina and will offer all the perks of a five-star hotel, including world-class dining, a rooftop pool and a spa and fitness center.

Rooms will be available in a variety of sizes: studios, one- to two-bedroom units, duplexes and penthouse. Offerings are also available with terraces.

Designed by architect Rani Ziss, the project will be the first kosher Ritz-Carlton in the world, complete with Shabbat elevators and an upscale kosher restaurant.

The Residences at [The Ritz-Carlton](#) is expected to be completed in 2012.
